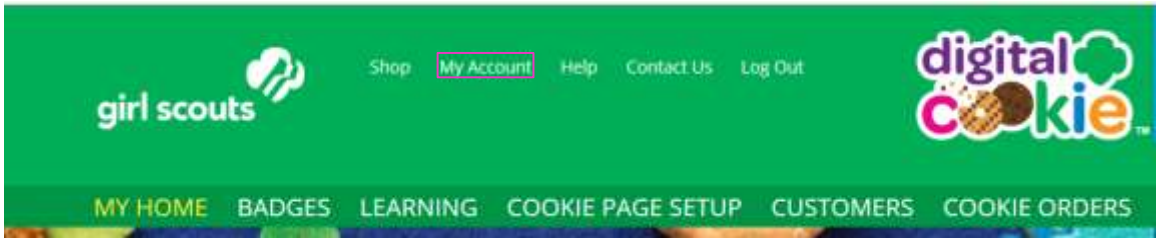
“My Account” tab

Use this tab to update your email address or password, or girl information.

1 While logged into Digital Cookie, click on the “My Account” at the top of the page



2 You can either change your email or password OR click on the “Girl Account” to change her name or email address (if she is 13 or over)

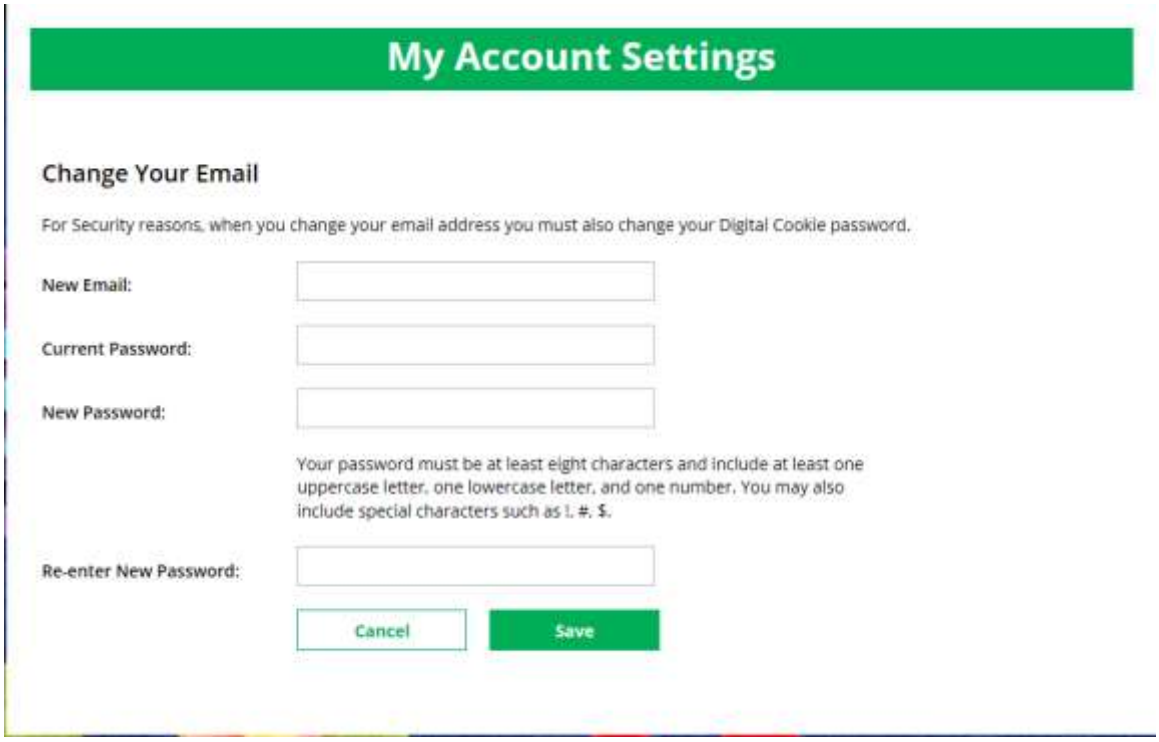
3 Clicking on the "Change Email" will give you a screen to update your email address to a new one.



4 If you are also a Troop or Service Unit Volunteer, you will be unable to change your email address here. You will need to update your email address in eBudde instead.

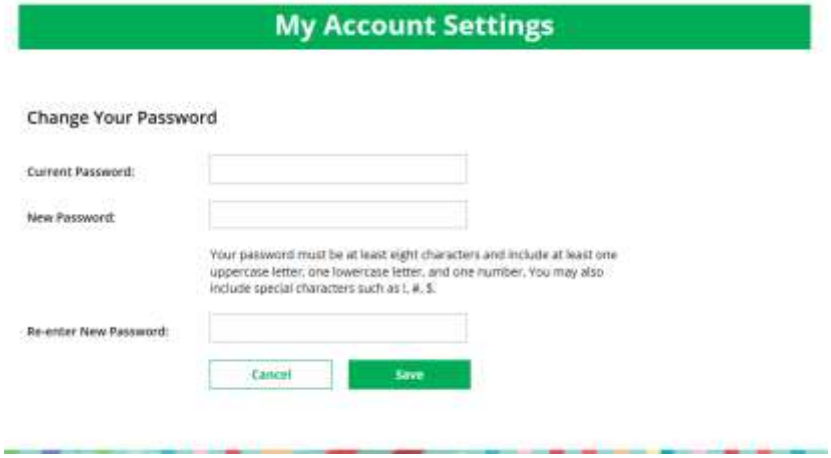
5 Clicking on the "Change Password" will give you the opportunity to update your password



6 Clicking on the "Girl Account" tab will allow you to update the girl preferred first name and girl email address if she is 13 or over.

NOTE: Updating your email in Digital Cookie does not mean it will be updated in your council membership system. Please login to MyGS to update your email there as well.
