Camp CEO: Changing Definition of Leadership, Changing Lives

Camp CEO is simply not like anything you've ever experienced. As a girl participant, you will discover that the women who run local companies and make important decisions every day were once teens just like you, trying to decide where to go to college and what they wanted to be. This is YOUR chance to ask them questions, hear their surprising stories, and learn how the choices they made impacted their lives.

In addition to powerful one-on-one sessions with the women who volunteer their time to be at Camp CEO, you'll also connect to other teen girls by participating in fun camp-based activities like geocaching (high-tech scavenger hunting), swimming, team-building games, and archery.

Participate in yoga, self defense, dressing for success, and networking workshops. Then plan and host a huge dinner party with fancy place-settings, table decorations and party food. The adult campers will participate right along with you in all these activities.

Get Involved! Become a Volunteer!

Our volunteers are invaluable. There are so many ways volunteers help girls tap into their full potential through the delivery of our innovative programs. Girl Scouts volunteers do more than just give their time and skills. They continue to build upon a legacy that has developed girls and young women all over the world for nearly 100 years.

Opportunities exist for adults who would like to volunteer in one of the many pathways into Girl Scouting, and the time commitment is up to each individual.

It's easy to become a volunteer! Just submit a volunteer application, found in this guide, along with three references to start the process. The reference form is available on our website, www.girlscoutsgcnwi.org/be-volunteer.

Once your application has been submitted, you will be contacted by one of our staff to get you started with any paperwork relevant to the position for which you've expressed your interest.

For more information, please call 1-855-ILOVEGS, or visit our website, www.girlscoutsgcnwi.org/be-volunteer.
