What is Day Camp All About?

Day camp is an incredible experience and is unique to every girl who tries it. Day camp is a week-long program with an optional Thursday overnight opportunity for Juniors and up. Camp is a place where girls can be themselves, try new things, and make new friends. At Girl Scout day camp, we encourage girls to step out of their comfort zone, build their self-confidence, share their ideas, and explore the natural world. Just as we state in our mission, we care about building girls of courage, confidence, and character, who will make the world a better place. Day camp is just one stepping stone on your camper’s road to success. Your camper will return from camp with a smile on her face, memories to cherish, and skills she will use for the rest of her life. We are so glad that she will be joining us for a fun-filled week of day camp this summer!

Items to Bring to Camp EVERY DAY

Though girls are only coming to camp for the day, it is important that they come prepared. Below is a list of items that they should bring with them every day they come to camp.

- **Sack Lunch** – Refrigeration is not provided; icepacks are recommended.
- **Backpack** – To carry all of her belongings. Be sure to check your camper’s backpack each day when she gets home for any important handouts.
- **Unbreakable Drinking Cup** – Juice or lemonade may be provided with lunch.
- **Reusable Water Bottle** – Camp Greene Wood has plentiful and safe to drink well water for refills. Bring a filled water bottle so that your camper(s) can stay hydrated throughout the day.

⭐ **Tips for Success**: If you fill a water bottle halfway full, freeze it overnight, and fill the remaining space with fresh water in the morning the water should stay cold for the majority of the day. Bring flavor packets to add to well water to help mask the taste.

- **Sit-Upon** – This cushion is a Girl Scout tradition that your camper can bring and use to sit on while at camp. (Google “Girl Scout Sit-Upon” or reference our Pinterest page for instructions on how to make your own.)
- **Insect Repellent/Sunscreen** – It is recommended that you apply this before your camper leaves home in the morning and encourage her to reapply it throughout the day. (Counselors will remind campers frequently to reapply these as well.) A concentration of less than 20% DEET is recommended for campers. Non-aerosol containers or disposable wipes are preferred.
- **Bandana or Hat** – Pack one, or both of these, to help protect your camper from the sun.
- **Hair Tie, “Scrunchie,” etc.** – To hold hair back safely when cooking around a fire or participating in archery and to keep hair off of the neck and out of the way on hot days.
- **Apparel** – Comfortable, everyday “play” clothes should be worn for daily camp activities. Socks and sturdy shoes should be worn at all times. It is a good idea to pack an extra shirt for days where we may play water games. A sweatshirt is always a good idea to have in preparation for any cool changes in weather. Please – NO tank tops, sandals, flip-flops, or other open-toed shoes; they are not safe in the camp environment. Crocs with adventure straps, water shoes, or other close-toed aquatic footwear are acceptable for water activities during the camp day.
- **Rain Gear** – Raincoat or poncho. Umbrellas are not allowed at camp; they pose a safety hazard.

⚠️ **Important Note:**

Please make sure to label **everything** with the camper’s first and last name.

⚠️ **Important Note:**

Campers are **NOT allowed** to share:
- Bug spray
- Sun screen
- Food
- Hats/Bandanas

***For information about what to bring for Thursday night camp sleepovers reference the “Overnight Packing List” section of this packet on page 11.***

  - Bring a plastic bag clearly labeled with the camper’s name so that she can easily transport her wet creation home.

⚠ **Please pack a sack lunch.**

⚠ **Check her bag and/or your email for any notes or other important information! Be on the lookout for trading post information. Reference page 14 of this packet as well.**

⚠ **Pack a sack lunch.**

⚠ **Check her bag and/or your email for any notes or other important information.**

⚠ **Instructions for tie dye items:**

  - After 24 hours, squeeze the item under cold water until the water runs clear.
  - Remove the rubber bands.

**Absences**
Please be sure to call to inform us of your camper’s absence at (630) 241-9025. Make sure to leave a message telling us your camper’s full name and unit.

**Severe Weather**
Day camp staff monitors the weather. If severe weather develops during the camp day or evening, appropriate measures will be taken. Indoor shelter is available for all campers and staff. Our first priority is the safety of all of our campers, so please be advised that staff will not be available to answer phone calls during this time. Phone lines need to remain open. Please do not come to camp to pick up your camper, campers will not be released until there is an official “all clear.”

**Lost and Found**
Lost and left-behind items are collected each day and staff will do their best to reunite owners with their belongings. However, please understand that this is not always possible. Unclaimed items are brought to the Greene Wood Gathering Place at the end of the season. Please contact us to arrange transport of your items to your closest Gathering Place if needed. Items are kept until October 1 and will be donated after that time.

**Cell Phones**
We do not allow cell phones at camp. We want the campers to truly engage in their camp experience and enjoy their time outdoors with their new camp friends! If a camper has a cell phone at camp, they will be reminded it keep it off and in their backpack. However, if it becomes an issue it will be collected and locked in the administration building and returned to the camper’s guardian at the end of the session. Additionally, do not send cell phones with your camper for the overnight. Our camp staff are highly trained to meet the needs of your camper. You will be contacted by the camp director if there are any concerns.

Financial aid is available, but you must first register your camper for camp. After this point, you are more than welcome to apply for financial aid. Reference the “Forms” tab under the “Parents and Caregivers” drop down on our website.

**Photos and Video**
When filling out your camper paperwork you have given the Girl Scouts of Greater Chicago and Northwest Indiana permission to take photos and/or videos of your camper(s) while they are at camp. If you would not like to allow GSGCNWI to take and use photos and videos of your camper(s) please send an email indicating this at least 1 week out from your camp program to gwdaycamp@girlscoutsgcnwi.org or send a written note on the first day of camp.

**Kapers**
Girl Scouts leave places better than they found them and camp is the perfect place to practice this. Each staff member will model and teach campers the proper way to care for their environment and their camp surroundings through tasks called Kapers. Unit Kapers include tidying up common areas, gathering firewood, picking up litter, cooking at cook-outs, and fire building. Kapers are a Girl Scout tradition that helps build responsibility and teamwork skills.

**During Camp Hours...**
If you need to come to camp for any reason after 9:15 am and before 2 pm, please go to Gate 1 (the Gathering Place). Please park, enter the Gathering Place, and talk to the shop or customer care specialist in the lobby.

Overnight Packing List

Overnights are always a great experience for our campers! It is a great way to get a taste of what resident camp is like while still having all the perks of a day camp experience. Since the Thursday overnight is different than typical day-to-day programing, we have listed items below that will help prepare your camper for her overnight experience.

Campers may sleep in lodges, yurts, platform tents, or pop-up tents while overnighting.

- **Sleeping Bag and Pillow** – please note that sleeping bags may not be warm enough on a cold night. We recommend bringing an extra blanket to stay warm.
- **Flashlight with New Batteries** – campers will be walking around camp at night. A handheld flashlight or headlamp will help her get around safely in the dark.
- **Mess Kit** – any plastic/metal plate, bowl, cup, and silverware. Please don't send anything disposable.
- **Dunk Bag** – a mesh bag that allows for dishes to dry in once washed. A lingerie washing bag works well.
- **Sweatshirt or Light Jacket** – warm clothes are recommended for wearing around the campfire and at night.
- **Pajamas or Sleepwear** – pajamas or a t-shirt and shorts or pants work well. Plan for cool night temperatures just in case. Having sleepwear that can be adjusted for cool or hot nights is recommended.
- **Small Stuffed Animal** – sometimes stuffed animals make the overnight experience easier. Please refrain from sending numerous, large, or any favorite stuffed animals to camp.
- **Clothes for the Next Day** – include socks and underwear. Don’t forget to pack this year’s camp shirt to wear on Friday!
- **Extra Shoes and Raincoat** – be prepared for the weather and outdoor camp conditions.
- **Medications** – any medications that your camper may need for the overnight in the original labeled container and marked with the camper's name. Medications must be turned in to the unit leader upon arrival at camp for the overnight.
- **Backpack or Duffel Bag** – to carry all overnight items. Use a separate bag to pack day items. Please don’t use large trash bags as they tend to tear and result in dirty and wet belongings.
- **Day Camp Supplies** – sit upon, bug spray, sunscreen, water bottle, hat or bandana, etc. (see “Items to Bring to Camp EVERY DAY” section on page 3 for more details.)

*Mess kits and dunk bags are available for purchase in the Girl Scout Shops prior to camp. See page 14.*
Why Does My Camper Have to be a Registered Girl Scout/
What is Girl Scout Insurance?

Though campers do not have to actively participate in Girl Scouting year-round. Every camper attending a Girl Scouts of Greater Chicago and Northwest Indiana camp must be, or become, a registered Girl Scout.

Every registered Girl Scout and registered adult member in the Girl Scout movement is automatically covered under the basic insurance plan upon registration. The entire premium cost for this protection is borne by Girl Scouts of the USA. The basic plan is effective during the regular fiscal year (October to the following October). Up to 14 months of insurance coverage is provided for new members who register in the month of August.

This insurance provides up to a specified maximum for medical expenses incurred as a result of an accident while a member is participating in an approved, supervised Girl Scout activity, after the individual’s primary insurance pays out. This is one reason that all adults and girls should be registered members. Non-registered parents, tagalongs (brothers, sisters, friends), and other persons are not covered by basic coverage.

This insurance coverage is not intended to diminish the need for, or replace, family health insurance. When $130 in benefits has been paid for covered accident, medical, or dental expense, any subsequent benefits will be payable only for expenses incurred that aren’t compensable under another insurance policy. If there is no family insurance or healthcare program, a specified maximum of medical benefits is available.

We can’t wait to see you at camp! If you have any questions make sure you email customercare@girlscoutsgcnwi.org or your camp director at gwdaycamp@girlscoutsgcnwi.org.
