

## EARTH DAY BINGO

# E A R T H

Make an Earth Day journal to keep track of how you are being earth friendly today and every day 	Write an Earth Pledge for yourself and put it somewhere you will see it often 	Eat a meal or snack outdoors	Compare the sounds you hear outside during the day to those you hear outside at night	Go on a nature scavenger hunt 
Go outside at night to stargaze (download a free stargazing app to help you out)	Learn to tell time using the sun	Plant native seeds outside or in a reusable container indoors 	Cloud watch 	Build a solar oven and use it to warm a s'more or small snack 
Create a picture or design using natural items found outdoors 	Start a compost bin 	<b>Go outside for 5 minutes and breathe in the fresh air</b> 	Keep track of how much trash you accumulate over just one day	Search for bugs in your backyard 
Do some relaxing nature yoga 	Learn all seven Leave No Trace principles 	Find every letter of the alphabet outside in nature 	Go on a litter hike around your house and neighborhood 	Research recyclable items for your area and make a sign for home
Create a leaf rubbing bookmark 	Make a reusable t-shirt bag 	Create an art piece from recycled materials 	Reuse items around your house to make an upcycled bird bath 	Create a decorative piece of art using nature shadows 

## EARTH DAY BINGO

**D A Y 5 O**

Use reusable tote bags	Use a drying rack instead of a dryer when doing laundry	Save meal leftovers to eat later on	Use food items you have on hand to make a meal	Turn off computers at night
Take shorter showers (5 minutes)	Use smart power strips	Turn off lights in unoccupied rooms	Plant and grow your own vegetables in your backyard	Purchase clothing or items second-hand
Go meatless a few times during the week	Plant native pollinating flowers in your backyard	Drink from a reusable water bottle instead of one made from single use plastic	Use a compost bin to discard food scraps	Use both sides of a piece of paper when jotting down notes or printing
Refrain from using pesticides on your lawn	Use collected rainwater to water your garden	Run the dishwasher only when it is full	Unplug electronics when you aren't using them	Properly dispose of non-recyclable items
Donate unwanted clothes, toys, and household items	Grow plants inside of your home	Turn off the water while you are brushing your teeth	Replace lightbulbs with energy efficient alternatives	Reuse items first before recycling them or throwing them away
