

CUSTOM PROGRAMS

For Troops, Schools and Service Units

We provide: program facilitators, all supplies including badges and patches (if applicable), use of registration website to collect payment

You provide: location (or let us know which GS location you'd like), minimum of 10 girls, adult volunteers to meet safety ratios, marketing to your troop, school or group

To request a program, go to www.girlscoutsgcnwi.org/forgirls and click on Custom Programs. Programs must be booked at least one month in advance.

Here are a list of the programs GSGCNWI offers as a custom program. Questions? Contact us at programs@girlscoutsgcnwi.org!

Daisy Leaf & Badge Workshops

Count It Up Leaf (2 hours)

When you take part in the Girl Scout Cookie Program, you are helping with the largest business run by girls in the whole world. When you earn your Count It Up leaf you learn about how much coins and bills are worth. Now use what you know as you ask customers to buy your cookies!

Money Counts Leaf (1 hour 30 minutes)

Pennies, nickels, dimes, and quarters... oh, my! You'll get the chance to handle real money and learn about where it comes from. Play games to become more familiar with different types of coins, and go shopping in your own mini-mall! You'll learn what money is worth.

Making Choices Leaf (1 hour 30 minutes)

Is your allowance burning a hole in your pocket? Learn how to spend it wisely through fun games and art projects, and then it's time to go shopping! You'll manage your own business with friends and shop for items to take home with you- but you have to stick to your budget!

Talk It Up Leaf (2 hours)

When you take part in the Girl Scout Cookie Program, you are helping with the largest business run by girls in the whole world. When you earn your Talk It Up leaf, you learn to figure out your needs and wants. Now use what you know as you sell Girl Scout Cookies!

Board Game Design Badge (2 hours)

Engineers are people who like to know how things work. They design and build things people use every day, like computers, phones, roads, bridges and cars. They use their imaginations to solve problems and create new products. Create board games and engineer your own game spinner using GoldieBlox.

Designing Robots Badge (3 hours)

Join us and earn one of the brand NEW robotics badges! Learn how robots work, and how they imitate real animals in nature. Then design and BUILD your own robot to help animals! This program also covers the Brownie Design a Robot requirements.

Model Car Design Badge (2 hours)

When engineers design something new, they need to think about forces like gravity and friction. Friction is a force that slows and stops moving objects. Without friction, any object that was pushed or pulled would keep moving forever. Build a model car out of GoldieBlox and test the friction of your car on different surfaces to prepare for a Troop Car Chase!

Roller Coaster Design Badge (2 hours)

Engineers use their imaginations to solve problems. They invent and build things that can be used in the real world. Engineer your own roller coaster using GoldieBlox to see how its design affects its speed.

Brownie Badge Workshops

Computer Expert (3 hours)

Paint a magical picture using the computer. Go on an adventure to find cool facts on the internet. Create an email to send to friend or even the president!

Design a Robot (3 hours)

Join us and earn one of the brand NEW robotics badges! Learn how robots work, and how they imitate real animals in nature. Then design and BUILD your own robot to help animals! This program also covers the Daisy Designing Robots requirements.

First Aid (2 hours)

Make your own first aid kit, hear from a first responder who helps injured people, practice calling 911 and gain some skills for treating and preventing injuries.

Girl Scout Way (2 hours)

As a Girl Scout Brownie, you're part of a sisterhood. Brownies all over the world share traditions and do good things to make the world a better place. In this badge, try some special Brownie traditions (some that Girl Scouts have been sharing for 100 years!)—and, of course, have a world of Brownie fun.

Home Scientist (2 hours)

Use items from your home to make slime, Mentos rockets and ice cream! Become a scientist by creating chemical reactions to earn the Home Scientist Badge.

Making Friends (2 hours)

Make new friends, but keep the old. One is silver and the other's gold. Friends are another kind of family. They're the people you have fun with and who help you when you need it. Come to this badge workshop to learn how to make new friends, keep old friends and be the best Brownie you can be.

Making Games (2 hours)

You can have fun without a computer, a deck of cards or even a ball. Games are everywhere when you use your imagination to make them up! Try this badge workshop, and you and your friends will never be bored again.

Money Manager (2 hours)

Is your allowance burning a hole in your pocket? Learn how to spend it wisely through fun games and art projects, and then it's time to go shopping! You'll manage your own business with friends and shop for items to take home with you- but you have to stick to your budget!

Philanthropist (2 hours)

Do you want to plan a drive for a local animal shelter, or help out at a soup kitchen? Play games to discover what people need and want- and then make a plan to help them! You'll earn the Philanthropist badge and come away with real ideas and resources to make the world a better place.

Senses (1 hour and 30 minutes)

You have five senses that work together to let you see, hear, smell, taste, and touch the world around you. Try all five in this badge!

Junior Badge Workshops

Animal Habitats (2 hours)

Imagine meeting a monkey or kicking up dust with a kangaroo. These animals live in the wild, so we don't get to spend time with them in their natural homes—their habitats. But that doesn't mean we can't find out more about where they live, how they play, and how we can help them!

Detective (2 hours)

Two hour program: Stories, movies and television are full of amazing detectives solving mysteries and bringing criminals to justice. Their jobs are important, exciting and take serious skills - skills you can try in this badge workshop. Grab your magnifying glass and dive into the science of detecting!

Digital Photographer (3 hours)

Say Cheese! Learn the basics of photography and editing. Take pictures with your Girl Scout friends and try your hand in editing them. Create art with your photos and share them in an art show!

Entertainment Technology (3 hours)

Turn your world 3D! Explore the entertainment industry and the technology used. Create a roller coaster, 3D glasses and animated artwork.

First Aid (2 hours)

What would you do in an emergency? Find out the steps to take, learn about first responders who come to the aid of injured people, make your own first aid kit, and gain some know-how for handling urgent first aid issues and helping a sick person.

Girl Scout Way (2 hours)

As a Girl Scout Junior, you're on an adventure to find your path through the world. Our sisterhood is full of traditions to help guide you. In this badge, share activities and spirit that's a century strong and growing stronger every day—because of Girl Scout stars like you!

Playing the Past (1 hour 30 minutes)

Dream up a character: a girl or woman who lived in another time period. Maybe a poodle-skirt-wearing Girl Scout from the 1950s, a Wild West cowgirl, a medieval duchess, or a Japanese princess from long ago? You can be someone who really existed or a historical woman from your imagination. Give yourself a new name and get ready to live history!

Savvy Shopper (3 hours)

Figuring out how to manage your money as you get older is tough! You'll solve problems, play games and do role-playing activities to learn to decide what to buy and how to save for something big. You'll also go online to comparison shop and gain smart shopping skills!

Scribe (3 hours)

Words are powerful tools. Great writing can make people feel encouraged, entertained or excited. It can create fantasy worlds or preserve events from history. And just writing down your feelings actually makes you feel better! In this badge workshop, find out what you can do with words.

Social Butterfly (2 hours)

Have you ever found yourself in a group or place where you didn't know how to act? It happens to everyone. In this badge workshop, have fun practicing the social style and good manners that will make you comfortable in any situation.

Cadette Badge Workshops

Budgeting (3 hours)

Do you have a savings account? How about a stock portfolio? Maybe you're saving up for a dream car or planning a big trip- or maybe you don't have the first idea of how to start saving. No matter where you are, you'll learn how to save, spend and give your money wisely through fun activities with friends.

Comic Artist (2 hours)

Calling all artists! Newspaper cartoons, comic books, graphic novels...comic art is a broad, exciting and growing field. At this badge workshop, you'll have the chance to share your story through the art of comics.

Comparison Shopping (3 hours)

Figuring out how to manage your money as you get older is tough! You'll solve problems, play games and do role-playing activities to learn to decide what to buy and how to save for something big. You'll also go online to comparison shop and gain smart shopping skills!

Digital Movie Maker (3 hours)

Explore the science behind movie-making! Create your own script, learn about the camera, and design the set for each scene. You've probably spent countless hours watching movies-now's your chance to see what it takes to create a movie from start to finish.

Eating for Me (2 hours)

Nutrition isn't just about maintaining a healthy weight: Eating well helps you inside and out. Choosing the right foods can help you sleep better, stress less, and get smooth skin, shiny hair, and strong nails. In this badge, find out how to eat to keep your skin glowing, your mind focused, and your energy flowing.

Finding Common Ground (3 hours)

Think about your best friend, your sister or your fellow Girl Scouts - is everything about you the same? Probably not! Practice the skills for getting along by finding common ground, whether that's compromising, debating or mediating.

First Aid (2 hours)

Are you ready to help if someone gets hurt? Make your own first aid kit and find out how to prevent and treat injuries for everyone, even younger children, and how to keep everyone safe in hot or cold weather.

Girl Scout Way (2 hours)

As a Girl Scout Cadette, you're carving out your unique place in the world, using your intuition and special talents to blaze a trail that's all your own. The Girl Scout Way is another compass that can help guide you: our proud traditions offer a strong foundation to build your dreams as part of a worldwide sisterhood. So dive right in and get started singing, celebrating, and bringing people together as you join hands with thousands of other Cadettes to blaze the Girl Scout trail into our new century.

Netiquette (2 hours)

Create a social media profile for your favorite character! Find out how to avoid "oops!" and "ouch" moments online. Check to see if you have etiquette in e-mails and comments. Grow to be a proactive leader in starting your personal brand.

Public Speaker (2 hours)

What do an actor, a DJ, a news anchor and a lawyer all have in common? They are all great public speakers! Talking in front of a group of people is an important skill for the rest of your life, whether you're auditioning for a school play, giving a speech or when your dream of becoming an actor? or teacher? or coach comes true. Practice these skills at this Public Speaker badge workshop!

Screenwriter (3 hours)

When it thrills, makes you laugh or has a fantastic twist, a movie or TV show can seem like magic. And a great show starts with a great script! Screenwriters write scripts meant to be filmed. In this badge overnight, put all of your viewing experience to good use - let it inspire you as you try your hand at writing for the big (or small) screen.

Special Agent (3 hours)

Investigate the "scene" to find out what happened. Collect DNA evidence and fingerprints! Write a secret message in invisible ink to other investigators. Also fills the Junior Detective requirements.

Fun Patch Programs

Girl Scout Adventures (2 hours)

Do you love to sing and dance? What about acting out a story? Then pack your bags for the Girl Scout glitz and glamour to become a star! Work together to film a skit that shows your favorite thing about being a Girl Scout. Afterward, preview your shows at a movie premiere!

Balloon Games (2 hours)

Get moving with balloon games! Learn the science behind balloons by making a balloon rocket! Dash, skip, and jump in balloon relays and games.

Edible Engineering (2 hours)

Learn the basic of engineering with edible challenges! Make an edible car, a spaghetti bridge and more! Design, build, test, and then eat your creations at Edible Engineering.

Fairy Tale Finance (1 hour 30 minutes)

Once upon a time, there was a group of Girl Scouts who loved stories and wanted to learn about money. They travelled to an enchanted forest, where characters from their favorite fairy tale taught them how to save, spend, and give their money wisely. You can be a part of this group, too! Come jump into a fairy tale adventure and learn some money smarts along the way.

Fairy Tale STEM (2 hours)

Explore fun engineering projects based on Fairy Tales. Find out how STEM helps your favorite fairy tale characters. We will explore The 3 Little Pigs, Jack and the Bean Stock and MORE. You'll even get the opportunity to perform skits about your favorite fairy tales and listen to interactive stories!

Music Mania (2 hours)

Join the band! Musical instruments surround you - now is your chance to use these instruments and be the star of a music video! Create your own instruments, start a band and put on a show for your friends.

Science of Music (2 hours)

Learn how to recognize patterns and rhythms while you design and create your own musical instruments! Write your own Girl Scout cheers and form a band to perform your music live!

Slimy Science PJ Party (2 hours)

Wear your PJ's and slippers to this slimy style party! Create fizzy concoctions and ooey goopy potions! Discover how ordinary items have extraordinary properties.

Pirate Treasure Hunt (2 hours)

Ahoy, matey! Your pirate adventure begins with a treasure map where “X” marks the spot. You’ll work together with friends to travel around a desert island, meet crazy characters, and learn to manage your pirate doubloons (money!). Maybe the mermaids will give you a smart shopping challenge, or you’ll have to test your money knowledge with Captain Blackbeard! Throughout this interactive adventure, you’ll learn money management and maybe even find the buried treasure.

Spring FUN (3 hours or add this onto your own overnight!)

Spend time with your favorite gal pals at this celebration of springtime. Add in spring crafting and a flashlight egg hunt and it’s a party!

Superhero Shopper (2 hours)

Calling all superheroes! The commissioner needs your help to stop the rising costs of shopping in our fair city! You’ll create a superhero persona, do some superhero training, and learn smart shopper techniques as you fight crime and sneaky advertising. Work together with your fellow superhero Girl Scouts to save the day and learn to spend your money wisely!

Teeny Tiny Critters (3 hours)

Learn about the field of Microbiology as you use a microscope to examine and classify teeny tiny critters! Then combine your favorite features that you find to create your own critter that you can take home with you!

Theater Games (1 hour and 30 minutes)

Look out Second City! It’s time for the Girl Scouts to tickle your funny bones. Learn the rules of improv and play a lot of different games that actors do while getting ready for a show in order to help them prepare for all of the different emotions they have to portray, actors they have to pretend to be, and scenes they’re in.

Winter FUN (3 hours or add this onto your own overnight!)

Spend time with your favorite gal pals at this celebration of wintertime. Add in winter crafting and a flashlight hike and it’s a party!

Holiday Crafting (2 hours)

Ready to craft? Pick a holiday and let the gluing, cutting and creating begin!

Recycled Fashion (2 hours)

It’s a Girl Scout Runway! Invite your mom and grandma for a family fashion time. We’ll provide the glue, ribbons, and scissors - you bring the fabric. After outfits are created, we’ll make a runway for girls to show off their latest and greatest fashion trends.

Angry Bird Engineering (3 hours)

Build a catapult to launch your angry birds across the room! Challenge other Girl Scouts by create structure they have to knock down. Make your own angry bird to take home and learn how to predict where your angry bird will land using physics!

Claymation (3 hours)

Learn about the art of claymation as you create a scene, design characters, write a story and finally make a real animated movie! Take your characters home with you, along with a fun patch!

Dark Matter Space Explorer (3 hours)

Use your investigative skills to explore three pieces of “evidence” that scientists use to study Dark Matter! Learn what Dark Matter is and how scientists are studying it by recreating some of their experiments for yourself. Play with gravity and light to put together your “case” and determine for yourself if Dark Matter is real!

Rube Goldberg Challenge (3 hours)

Learn about chain reactions as you build your own Rube Goldberg to perform an everyday task! Then link up your machine with your fellow Girl Scouts to complete the ultimate Rube Goldberg challenge!

Shark Tank Simulation (3 hours)

When it comes to innovation, fantastic ideas and creative inventions are only half the game. The other half involves figuring out if people would buy your invention or use your idea. In this badge, you'll find out what it takes to turn a great idea into a great business.

Spa Science (3 hours)

Have a fun spa day with your friends! Create spa items to take home and some to use at this program! Create your own logo for your spa line of products. This year's spa products are new, and better than before, so choose between Spa Science 1, 2 or 3, to make each time a totally new experience!

Star Wars Laser Challenge (2 hours)

Join the Rebel forces as you harness the science of lasers to defeat the Dark Side! Destroy the Death Star by aiming your lasers through a maze of mirrors and obstacles!

STEM in Sports (3 hours)

Inspect the physics of sports by playing games! Learn the force of kicking, examine the speed of race cars, and have a paper football competition!

Iron Girl Chef (All Ages) (2 hours)

Work in teams and rise to the challenge of creating original recipes using a set ingredient list and a mystery ingredient for each team. Fun patch included. Program space MUST have a kitchen for this program.

Info Sessions and Trainings

Bronze Award Bootcamp

(1 hour 30 minutes)

J

Are you ready to go Bronze and earn the Bronze Award Bootcamp Fun Patch? Girl Scout Juniors will explore the highest award a Girl Scout Junior can earn through high-energy, on-your-feet games, group brainstorming, and collaborative conversation. Leaders will get the tools needed to guide, and Girl Scout Juniors will get the inspiration to bring a Bronze Award project to life.

Silver Award Training

(1 hour 30 minutes)

C

Get all the details and the inspiration you need to go Silver! The highest award a Girl Scout Cadette can earn, the Silver Award is all about leadership, communication, and problem solving skills. Leaders will walk away with the tools you need to guide your Cadettes through the Silver Award process, and Girl Scouts will learn how to combine their passions with what's needed most in their communities.

Gold Award Training *(1 hour 30 minutes)*

s a

Are you ready to earn the Highest Award in Girl Scouting? Getting your Gold Award means standing out from the crowd. Whether it's on a school application, your professional resume, or the subject for your college essay, having your Gold Award puts you a big step ahead. But those aren't the only reason to Go Gold - by Going Gold, you'll change the world. This now mandatory Gold Award training will get you the tools you need to put your Gold Award Project Proposal together with ease, and prepare you for your interview and all the steps that follow. This in-person training provides the same information as the monthly Gold Award Webinar.

Travel Info Session *(30 minutes-1 hour)*

d b J c s a v

Travel is awesome! Experience new places, meet new people, try new food, and make new friends! Set up this free travel info session to learn more about how to travel as a Girl Scout.

Large Group Events (for service units or schools)

Badge Bash (2 hours per workshop)

d b J c s a v

Earn up to 2 badges for 2 age levels in one day at a custom Badge Bash! (Ex: 2 badges for Juniors and Cadettes, 4 total programs, in one day). For grade levels Daisies through Cadettes; book for your service unit or school and work with us to select which badges you would like to offer for each grade level.

Science Spooktacular (seasonal)

(2 hours)

d b J

Dress up in your Halloween costume and have a frightful dinner of slimy brains, witches brew and graveyard dirt! (spaghetti, fruit punch and chocolate pudding) Discover the science behind eerie noises, bubbling potions and monsters toothpaste.

Spa Science Night (3 hours)

d b J c

Have a fun spa day with your friends! Give yourself a mud facial, make colorful lip gloss and explore the science of spa products. Create your own logo for your spa line of products.

Hogwarts Science (3 hours)

J c

Come wearing your wizardly best costume for the Hogwarts Halloween party! Create potions using a DIY wand, create a team for the Quidditch game and craft magical mixtures that come alive.

STEAM Shop

Shop Missions (located at the Vernon Hills Gathering Place)

Secret Mission (2 hours)

Explore our makerspace: the STEAM Shop, and participate in a top secret mission that is a surprise to you and your leaders! The secret mission will be an engineering challenge that is tricky and fun. Design, build and test a solution with your Girl Scout friends to receive a top secret fun patch!

3D Printing (3 hours)

Explore 3D modeling in our makerspace: the STEAM Shop! Learn the design process from start to finish as you create your own 3D printed souvenir to keep! Watch as our 3D printer brings your creations to life right in front of your eyes! Not all projects will finish printing during this class.

App Development (3 hours)

Design, build and test your own Android™ app! In this workshop you will engineer an app for the game Pong. Pong is a game where the ball bounces off the paddle and three walls. If the ball bounces on the paddle, the user gains points. As soon as the ball falls beyond the paddle, the game is over. Don't let the game be over by developing your skills to become an app developer!

Circuitry (2 hours)

Explore circuitry in our makerspace: the STEAM Shop! Design and light up a new star constellation using LED lights. Use the knowledge of electrical circuits to craft your own circuit of LED lights and play with our set of LittleBits kits!

Robotics (3 hours)

Explore the exciting world of robotics in our makerspace: the STEAM Shop! LEGO Robotics gives you the opportunity to work together to solve real-world problems. Learn what it takes to code an autonomous robot to complete tasks and missions that have a purpose. No experience required

Our STEAM Shop can travel! These are our Off-Site opportunities.

App Development (3 hours)

Design, build and test your own Android™ app! In this workshop you will engineer an app for the game Pong. Pong is a game where the ball bounces off the paddle and three walls. If the ball bounces on the paddle, the user gains points. As soon as the ball falls beyond the paddle, the game is over. Don't let the game be over by developing your skills to become an app developer!

Robotics (3 hours)

Explore the exciting world of robotics in our makerspace: the STEAM Shop! LEGO Robotics gives you the opportunity to work together to solve real-world problems. Learn what it takes to code an autonomous robot to complete tasks and missions that have a purpose. No experience required.

Journey Jumpstarts

*the price of these programs does not include the Journey books or awards

*a jumpstart, it does not include the Take Action Project

Girl Scout Daisy Journeys

Between Earth and Sky (2 hours)

Girls explore the beauty of nature in new places as well as their home. They learn about various seeds and plants including their benefits, problems they cause, why certain flowers might be endangered and their living conditions. This Journey highlights women in careers that protect the environment, and provides a great review of the parts of the Girl Scout Law.

Welcome to the Daisy Flower Garden (2 hours)

Girl Scouts begins planting the seeds of leadership with its youngest members, Girl Scout Daisies. In this first leadership journey, Daisies are the keepers of the Daisy Flower Garden, a storybook world grounded in the values of the Girl Scout Law.

Girl Scout Brownie Journeys

A World of Girls (3 hours)

Did you know that there are over 700,000 Brownies all over the world? If Brownies started by making a difference in their own community, can you imagine how great the world would be?! In this 3-hour Journey Jumpstart, you'll spend time with your fellow Brownies finding creative ways to make the world a better place. Girls must bring A World of Girls Journey book to the program.

Brownie Quest (3 hours)

Do you help take care of your Girl Scout sisters? How about your family and friends? How do you take care of your community? In this Journey Jumpstart, you'll talk about the many ways you can help others - and yourself!

WOW! Wonders of Water (3 hours)

It's bound to be a wet and wild adventure while you dive into cool water experiments and investigate water pollution. Along the way you'll discover why you love water and make a water promise that will help you and your family save water. Please note that program does not include the take action project.

Girl Scout Junior Journeys

Agent of Change (3 hours)

YOU have power...not magical power, but REAL power. And you can become even more powerful when you join with your circle of sister Girl Scouts. Girl Scout Juniors all across the globe are making their communities better by being agents of change. Who is an agent of change? YOU are! At this 3-hour program, discover the power of one and the power of a team to create the power of a community that improves the world.

aMUSE (3 hours)

Want to fly a plane? Lead a rock band? Win Olympic gold? Or maybe you have another big role you want to try! In this overnight, you'll discover more about yourself and the roles you can play in your future through crafts projects, games and other fun activities.

Get Moving (3 hours)

Get a jumpstart on the Get Moving Journey! Blaze the trails through the exciting world of energy! Through interactive activities you'll learn how we can conserve energy in our environment by using resources wisely. You'll put your sleuthing skills to work as you investigate energy use. You'll also discover solutions to stop energy waste!

Think Like a Programmer (3 hours)

Girls learn how programmers solve problems as they participate in interactive computational-thinking activities.

Girl Scout Cadette Journeys

aMAZE + Silver Award Training

(3 hours)

Life is a maze! Let this Journey Jumpstart guide your way. Through art projects, games, and fun group activities, you'll navigate twists and turns, find friendship, and build up lots of confidence to complete your Journey with your troop after the program. This Journey Jumpstart includes a Silver Award Training at the end.

Breathe + Silver Award Training

(3 hours)

Take a moment to stop and smell the flowers with this Journey Jumpstart! Dive into what makes up the air we breathe, learn what causes pollution, and get geared up to complete the Journey with your troop after the program. This Journey Jumpstart includes a Silver Award Training at the end.

MEdia + Silver Award Training (3 hours)

Getting dizzy from all of the ads, commercials, news stories, TV shows, movies and social media surrounding you? Take a step back with this Journey Jumpstart! You'll take stock of the different types of media in your world and recognize the influence they have on you. Then, do your own media remake project to bust the stereotypes you see, and leave ready to dive into the full Journey with your troop after the program. This Journey Jumpstart ends with a Silver Award Training.

Girl Scout Senior & Ambassador Journeys

GIRLtopia + Gold Award Training

(3 hours)

What do you think a perfect world looks like? In this Journey Jumpstart, you'll explore that question through art, collaborative group discussions, and fun, hands-on activities. Leave ready to dive into the full Journey with your troop. This Journey Jumpstart includes a Gold Award workshop at the end, which fulfills the mandatory requirement for Gold Award training.

SOW What? + Gold Award Training

(3 hours)

Bio-diversity, food deserts, and sustainability make the Sow What Journey Jumpstart a delicious treat! Do taste tests, explore your own food preferences and where they come from, and leave ready to complete the Journey with your troop after the program. This Journey Jumpstart includes a Gold Award workshop at the end, which fulfills the mandatory requirement for Gold Award training.

Mission: Sisterhood + Gold Award Training (3 hours)

What does sisterhood mean today? Where is your place as a citizen of global sisterhood? This Journey Jumpstart explores social styles, friendship values, and current events that effect all women and girls. You'll leave ready to dive into the full Mission Sisterhood Journey with your troop after the program. This Journey Jumpstart includes a Gold Award workshop at the end, which fulfills the mandatory requirement for Gold Award training.

Bliss + Gold Award Training (3 hours)

This Bliss Journey Jumpstart will get you geared up to complete the Journey with your troop after the program. Envision your future, reflect on your past, and start taking actionable steps to get where you want to go. You'll explore your own values, and how your gifts serve the world around you, journeying from introspection to applicable changes you can create in your community. This Journey Jumpstart includes a Gold Award workshop at the end, which fulfills the mandatory requirement for Gold Award training.
