SUSTAINABLE	After the project is complete, girls develop an understanding of sustainability by talking together about how solutions can be lasting.	Girls demonstrate an understanding of sustainability in the project plan and implementation.	Take Action Project includes provisions to ensure sustainability.
GLOBAL	After the project is complete, girls develop an understanding of the wider world by talking together about how others may experience the same problem that their project helped resolve.	Girls connect with new friends outside their immediate community, learn how others have solved similar problems and determine if the ideas of others can help with their plan.	Girls identify national and/or global links to their selected issue. They learn from others and develop a plan to share the results of their project beyond the local community.
