

Journey World

Build the City. Run the City. Save the City.

Use your imagination in this immersive experience in our traveling city!

- **Build** your business by working as an accountant, sales associate or business leader!
- **Run** your shop by creating and developing new ideas and products!
- **Save** the city from an unknown challenge. Whether it's a zombie apocalypse, the wizarding world of Diagon Alley or the Isle of the Lost, work together to keep your city safe!

During a Journey World Challenge your troop will gain first-hand knowledge in topics such as financial literacy, entrepreneurship and technology all while building skills in critical thinking, problem solving and team building.

Workshops

Learn the ins and outs of the different businesses at Journey World. Use the knowledge you gain here to succeed at a Journey World Challenge.

Challenges

Take on a new role, start a business with friends, and solve an epic challenge to help your city survive and thrive!
