

Hi, Girl Scouts!

We are excited to have you explore and enjoy the Windy City of Chicago! We have so many interactive and fun ways for you to travel through the city and suburbs to receive your exclusive "Passport to Chicago" patch. Check out a show at the CSz Theater, climb aboard the Spirit of Chicago or the Seadog at Navy Pier, experience the best view of Lake Michigan and four neighboring states from 360 CHICAGO (formerly John Hancock Observatory), learn about the history of surgery at the International Museum of Surgical Science, submerge yourself in another culture at the Chicago Chinese Cultural Institute, visit the Chicagoland suburb of Rosemont where you can shop at Fashion Outlets of Chicago or discover the athlete within at a Chicago Sky basketball game!

Consider using our camp properties for cost effective lodging as you embark on an extended trip into the city of Chicago. Cook your own breakfast in the kitchen of your lodge, spend the day traveling and head back to camp for a good night's sleep with your group of 20 or fewer in one site. Contact the Property Registrar with any further questions you may have at 312-912-6323 or email property@girlscoutsgcnwi.org.

Join the "Passport to Chicago" Club and check out the details below to learn how to receive your patches. We look forward to you being a part of the club!
