## <u> 2019 Goal Getter Program</u>

The Goal Getter program is another way for Girl Scouts to reach their goals after the initial order phase of the cookie program. Girls can continue to earn rewards and fulfill customer's orders to the package by going to any Gathering Place cookie cupboard.

## How do I participate?

Girl Scouts/parents/guardians bring their Goal Getter cookie order to any Gathering Place cookie cupboard during cupboard hours\*, along with payment in full (All varieties are \$5). Orders are filled to the package.

The Council takes care of all data entry for Goal Getter orders, payments and allocations to girls.

\*Gathering Place cupboards will be open from February 11-March 25 (Monday through Saturday). For the current Gathering Place cupboard schedule and locations, please refer to
