

Gift of Caring: Business Support

Support Girl Scouts and members of the armed forces.

The Gift of Caring service project is a great way for your company to support local Girl Scouts and provide comfort to military personnel. Once the cost of the cookies is covered, 100% of the proceeds stay in the community to fund Girl Scout activities and community service projects.

When you contribute at the Silver Level or above, you will also receive community recognition from Girl Scouts of Greater Chicago and Northwest Indiana and exposure on our website at the end of the cookie program in spring.

In 2018, more than 200,000 boxes of cookies were collected for Gift of Caring by our Girl Scouts. Invest now, and help us exceed last year's donations.
