

GIFT OF CARING BUSINESS SUPPORT

Support Girl Scouts and members of the armed forces.

The Gift of Caring service project is a great way for your company to support local Girl Scouts and provide comfort to military personnel, frontline workers, and other community organizations. When you support Girl Scout entrepreneurs, the funds they earn go directly to programs and community service projects.

When you contribute at the Silver Level or above, you will also receive community recognition from Girl Scouts of Greater Chicago and Northwest Indiana and exposure on our website at the end of the cookie program in spring.

In 2021, more than 230,000 boxes of cookies were collected for Gift of Caring by our Girl Scouts. Invest now, and help us exceed last year's donations.

**Girl Scout
cookies are
\$5 per box.**
