

COVID-19 Self-Screening

Individuals planning to attend in-person Girl Scout activities must complete a self-screening prior to attendance. Please answer the following questions to determine if you are allowed to attend the activity.

1. In the past two weeks, have you been in close contact with someone diagnosed with COVID-19?
2. Have you recently had a COVID-19 test and have not received the results yet?
3. Do you have a fever of 100.4°F or above?
4. Do you have a cough, congestion, or runny nose?
5. Do you have difficulty breathing?
6. Do you have a sore throat?
7. Do you have muscle aches or body aches?
8. Are you experiencing vomiting or diarrhea?
9. Are you experiencing a new loss of taste or smell?

If you answered NO to ALL of the above questions:

You may attend in-person activities.

If you develop symptoms while at the activity, please leave the activity and contact your personal healthcare provider for further evaluation. If you receive a COVID-19 positive test result, please contact the council directly. The council will protect the identity and confidentiality of any individual with a positive test result while notifying others who may have had exposure to that individual. To report a positive result, please contact Customer Care at customercare@girlscoutsgcnwi.org or 312-912-6313.

If you answered YES to ANY of the above questions:

You may NOT attend in-person activities. Contact your personal healthcare provider for further evaluation.

Thank you for keeping our community healthy!
