Are you a **Most Extraordinary Girl Scout (MEGS)**? MEGS is a girl-led patch program that is designed to help you explore all that Girl Scouts has to offer. The MEGS program is open to all grade levels and can be a troop and/or individual Girl Scout activity.

The patch consists of a base patch and a year bar. Each year that you earn MEGS, a year bar is added. Check out a picture of the brand new patch to the right!

After you have completed all of the requirements, bring this form into your nearest Gathering Place shop to purchase your base patches and/or year bars.
