

Tribute to Achievement Powering Community

March 29, 2022
Four Seasons Hotel Chicago

People power communities. Every person who steps up to engage, listen, and act with compassion and purpose contributes to the health and wellness of a community. Especially girls.

Girls see a world of possibilities. They demand equity, offer compassion and kindness, and jump into action to resolve social issues whenever and wherever they see a need. But right now, girls also need support as they navigate peer pressure, unrealistic expectations, racial inequity, gender bias, and other threats to their social/emotional and mental health. To thrive, girls need advocates who rally around them, encourage them, and invest in them. They need you.

This year's Tribute to Achievement Dinner brings the Girl Scout Mission to life. Join us as we celebrate community and corporate leaders who champion girls and women, and who act with vision and intention to make our world a better place.
