Cars should not idle or park on the camp road outside the gate. Please be respectful of those that live in the area while waiting for camper drop-off or pick-up (i.e., not blocking driveways or other exits). **Please do not park or idle outside the gate or at Castaldo Park.**

Parking on camp is reserved for camp staff and volunteers unless otherwise noted.

Car Riders: Check-In **Check-in starts at 8:40 a.m.** Gate #2, located off 71st street, will open at 8:40 a.m. and check-in will immediately follow. Cars arriving before 8:40 a.m. must not park or idle outside the gate.

Please enter camp through Gate #2, which is marked with a large #2 sign, and follow the one-way road into camp. You will be greeted by camp staff who will assist in directing traffic.

During check-in, all non-campers, including parents/guardians, should remain in the car. Camp staff will come to your car to greet your camper, help them out of the car, and assist them to their unit safely. Please make sure your camper applies sunscreen and/or bug spray before arriving at camp. *Camp staff will be able to assist apply bug spray and/or sunscreen in the morning if needed.*

Once your camper has been dropped off, please continue driving to exit at Gate #3. You will exit camp back onto 71st street.

Please note, the speed limit is 5 mph when on camp property. Drive carefully and attentively as campers, staff, and volunteers may be walking through camp.

Car Riders: Check-Out This process may take longer on the first day. Every effort is made to ensure campers leave as quickly and efficiently as possible. We thank you for your patience as we ensure every camper gets home safely.

Check-out starts at 3 p.m. Gate #2, located off 71st street, will open at 2:45 p.m., but we will begin dismissing campers at 3 p.m. Cars arriving before 2:45 p.m. must not park or idle outside the gate.

When the gate is opened, please follow the car in front of you to file into camp. Camp staff will assist with directing traffic and lining up cars in our parking lot.

To keep campers safe, we require a photo ID from an adult listed on your camper's Transportation Release form every day. A staff member will come to your car, ask who you are picking up, check your ID, and have you sign the Transportation Release form. We will have forms printed from your paperwork, so **please make sure your paperwork is complete and includes all approved adults.**

Once confirmed, you will be directed to where you will pick up your camper.

Bus Rider Drop-off & Pick-up Approximate bus times will be emailed to you one week before your camp program. If there are any changes to your bus stop location or cancellations, you will also be notified prior to your camp session.

Plan to be at your designated bus stop at least 10 minutes early when you drop-off and pick-up your camper. Bus drivers are instructed to leave a stop no earlier or later than the time listed on the confirmation.

Inclusion, Access, & Accommodations

Overview Welcome to Girl Scout Camp! That's what we say to every camper who arrives at one of our amazing summer programs because together we are creating a welcoming environment for all.

Every child needs to feel valued and respected. Respecting ourselves and other is part of our Girl Scout Law. Our program provides experiences that build life skills, leadership capacity, and a passion to make the world a better place.

Girl Scouts values inclusion and diversity, and that is why we are on a journey to better understand how to incorporate those values into the camp experiences we offer. Our learnings along the way will help us improve processes and protocols each year going forward.

Our camp directors will work with families to make our experiences accessible for all Girl Scouts, including current members who may be questioning their gender identity. These members may explore the use of different pronouns or name while at camp before sharing with their friends and family at home. Girl Scouts supports these members and will act in their best interests by providing a safe and affirming space in which they can be themselves.

To create an inclusive and safe environment for all, we encourage you to contact the camp director so we can work directly with you. This will start with a conversation about what the camp experience may be like for your camper, and what accommodations and supports are available. Camp directors can also help guide you toward the best programs and location for your camper.

| Standard Practices | <p>Following are standard practices that we follow to create safe spaces and a respectful environment for all:</p> <ul style="list-style-type: none">• All Girl Scouts are entitled to privacy when using restrooms, changing rooms, and showers. Unless a request is made by the Girl Scout, no separate sleeping arrangements are necessary. Otherwise, toilets and showers at camp are single use. Lockable bathroom stalls can be used by all campers and staff as private changing spaces.• Campers are grouped in living units by program group. |

Standard Practices (cont.)

- For campers sleeping on site, each camper will be assigned their own bed. Beds are private spaces not shared with others. Campers have separate sleeping spaces from staff members. If a camper needs the attention of a staff member during the night, they will have access to the staff member's sleeping area.
- For all council-run camp locations, some parts are ADA accessible, but not all parts are. Every camp has rustic locations on site. Our camp team is happy to discuss particulars for a specific camp location.
- Camp is often a busy and loud place. At times, it may be overwhelming for campers who are neurodivergent or have sensory issues. We will gladly talk through what to expect with you and your camper and can discuss accommodations to set them up for success.
- Dietary needs can be accommodated with advance notice. Be sure to include camper dietary restrictions and needs in your camper's required CampDoc paperwork and contact the camp director with any questions or concerns.

Camper Success We want everyone to be successful, and we find that campers have the best experience if they can do the following:

- Be fully independent with personal hygiene (with reminders from staff)
- Understand and follow verbal directions
- Understand and follow camp rules and expectations
- Be able to verbalize if they need assistance, are hungry, are hurt, etc.
- Be able to reasonably and age-appropriately self-regulate social and emotional needs
- Use the bathroom, *shower, and get dressed unassisted**
- *Live, shower, and dress in communal spaces. Privacy is an essential and fundamental right of everyone at camp, including in toilets, changing areas, and showers, which are single occupancy. Typical of most public bathrooms, many single-occupancy bathroom stalls are located in one facility.**
- *Sleep in a room/tent/yurt with other people and/or fall asleep without assistance. Our sleeping accommodations will hold multiple people; there is no situation in which a child will have their own room.**

**These skills are targeted for overnight camp experiences.*

Physical Needs Campers should be willing to live and play in an indoor and outdoor camp setting, which includes rustic facilities, wildlife, insects, navigating uneven terrain, and daily exposure to sun, rain, and other weather conditions.

If your camper has physical restrictions and/or uses a wheelchair, crutches, braces, or similar assistive technology, please contact us so we can plan the best possible experience for them. While many programs can be modified to meet the specific needs of our campers, we are not equipped or staff to provide care for campers who need one-on-one assistance. Activities such as high challenge, canoeing, kayaking, horseback riding, and similar activities are challenging to access for those with mobility challenges and have limited adaptations depending on the challenges faced.

Activity Restrictions To balance the demand for challenging activities and the safety and well-being of campers and staff we offer the following programs and activities at Camp Greene Wood with restrictions as listed below:

HIGH ADVENTURE ACTIVITIES

Several activities with our off-site vendors use specialized equipment. This equipment is designed with the safety of the participant in mind and has manufacturer-recommended limitations to minimize the risk of injury to the participant. To ensure all participants can use equipment safely, the following limits must be strictly enforced:

- Minimum weight: 70 lbs.
- Maximum weight: 250 lbs.
- Minimum height: 4 feet

In addition to these requirements, supplied harnesses and other equipment must fit properly and securely. Fit will be evaluated by trained instructors.

AQUATIC ACTIVITIES

All participants using watercrafts (including canoes) during council-sponsored programming are required to wear Coast Guard-approved Personal Flotation Devices (PFDs) at all times. Usage of watercraft is dependent on proper fit of supplied PFDs and will be evaluated by trained facilitators.

*Restrictions may differ between GCNWI camps due to different vendor requirements.

Program & Activity Information

Program Activities Our camp program is balanced with traditional camp activities, themed-based activities, and camper-planned activities; all are facilitated with progression and intentional skill-building. Campers participate in most activities with their program group, but there are also times when there are multiple-group or all-camp activities that bring campers together.

On the first day of their session, campers will work with their staff and the rest of their group to plan the schedule for the week. Campers will have the opportunity to vote on camp activities and suggest additional activities for their group to participate in throughout the week.

During their time at camp, campers may participate in activities that can be applied toward earning Girl Scout badges and Journeys. At the end of their session, campers will be sent home with a badge record that lists any completed badge steps.

A Sample Day at Camp	8:40-9:00 a.m.	Check-in
	9:00 a.m.	Flag Ceremony and morning announcements
	9:15 a.m.-12 p.m.	Camp activities
	12 p.m.	Lunch
		<i>(lunch times will differ from group to group, and day to day)</i>
	12:30-3:00 p.m.	More camp activities
	3:00 p.m.	Check-out

Cook Outs Most campers will cook out once per week as part of their program. Daisies and Brownies will cook out for Wednesday lunch, Juniors and Cadettes will cook out Thursday dinner as part of the extended day program. Some campers may cook out more than once as part of their program for the week.

Menus are planned by the campers during the week and prepared collaboratively with staff supervision and assistance. Campers should bring a mess kit on their cookout day, and do not need to bring a sack lunch or extra food.

Please reference page 13 for information regarding dietary restrictions and/or allergies.

Kapers Kapers are a Girl Scout tradition that helps build responsibility and teamwork skills, while caring for their environment and camp.

Kapers at camp are done as a group and composed of unit and all-camp tasks. Unit kapers include tidying up common areas, gathering firewood, picking up litter, cooking at cookouts, and fire building.

During kapers, the staff assist campers in clean-up, ensuring that health and safety procedures are being followed.

Trading Post Camp operates a small store where campers can purchase a limited selection of small items such as postcards, pens, fun patches, stuffed animals, and camp apparel. Campers visit the trading post at least once during their session. There are no snacks or drinks for sale. On the Monday of your camper's week, they will bring home a supply list reminder, which will include their assigned trading post day.

Items in the trading post range from \$1 up to \$40, with most items costing less than \$10. \$5-\$20 is the average range of money families typically send with their camper. Please put your camper's money in an envelope or plastic bag with their first and last name on it. Cash is preferred due to technology limitations at camp. If you have any questions about the trading post, please contact our retail team at ShopGS@girlscoutsgcnwi.org.

Extended Day Program Juniors, Cadettes, and high school campers can participate in an extended day program on Thursday. This program includes their dinner cookout, campfire with songs, and additional unique activities. The extended day program ends at 8 p.m.

All campers must be picked up from camp by car. Bus transportation is not an option for the extended day. Check-out begins at 8 p.m. Cars will follow the same pick-up process in the evening as they do other days of the week.

Half-Week Program The half-week, Monday, July 1 – Wednesday, July 3, is designed for campers to get a taste of the day camp experience! Campers will participate in many traditional camp activities, including tie dye, a cookout snack, trading post, and archery for campers in grades 4 and up.

Campers participating in the half-week should follow the daily packing list on page 20. All campers will tie dye on Tuesday and will need to bring a white or light-colored item. Campers will have their cookout snack on Monday and visit the trading post on Tuesday or Wednesday. Campers will take home an activity schedule on Monday for their group.

Off-Site Trips Programs marked with a map icon in the Summer Camp Guide will travel off-site as part of their program.

These campers will receive details about their trip one week prior to their camp program. This will include additional items campers need to bring and an outline of trips scheduled for the program. Any changes to trip plans will be sent no later than one week prior to the program start date.

Health & Safety

Weather Programs are held rain or shine! If the weather is unusually hot or cold, activities are adapted to keep campers safe. Help your camper have a successful time at camp by checking and preparing for the weather prior to arrival.

Camp staff constantly monitor weather radios and alters from the National Weather Service. There are designated indoor storm shelters for each camp in cases of severe weather. If severe weather develops during the camp day, campers will be moved to shelter until the weather situation passes.

Please do not call camp regarding weather updates. Staff will be busy attending to the safety of the camper and the phone line must remain open in case emergency services need to be contacted. You will be notified of any emergencies involving your camper.

Sick Policy Maintaining a safe and healthy environment for our campers and staff is very important to us. If your child is sick and/or could possibly be contagious, please do not send them to camp. Instead, email or call the Camp Director to note your camper's absence.

If a camper becomes sick while at camp, they will visit the camp health center. If your camper shows signs of illness, you will be contacted and you will need to pick them up from camp.

Camp Health Center The camp health center is equipped to handle common camper illnesses and minor injuries. If a camper gets hurt or shows signs of illness, they will be taken to the health center for evaluation by the health supervisor.

Though we will not call home for every scrape or stomachache, we will notify parents/guardians by phone if any of the following occur and will work with you to determine the best care for your camper:

- Any illness or injury that interferes with a camper's participation in the program
- Any vomiting, fever, or allergic reactions
- Any illness or injury requiring potential medication
- Any illness or injury requiring outside medical attention, including COVID symptoms

Dietary Needs	Please let us know of any allergies and dietary restrictions before coming to camp. This information should be noted on the camper's CampDoc paperwork.
---------------	---------------------------------------------------------------------------------------------------------------------------------------------------------

We can accommodate a variety of dietary needs and allergies. We provide similar substitutes to meet the needs of each camper. We are happy to talk with you about your camper's specific dietary needs and how to ensure your camper has a successful time at camp.

Bug Spray & Sunscreen	In the case of missing or depleted sunscreen, staff will provide sunscreen with a minimum of SPF30. When necessary, staff members may assist with applying bug spray or rely on the buddy system to see the needs of the camper. Please be sure to provide your camper with your desired brand and strength. In the case of missing or depleted insect repellent, staff will provide bug spray with a minimum of 10% DEET.
-----------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

If your camper is allergic to a particular sunscreen or bug spray (or a specific ingredient in either), please let us know ahead of time so that we can help your camper avoid the allergen. Please specify this information in the Medications & Allergies section of your camper's paperwork, including the alternative brand and strength of sunscreen or bug spray preferred.

Camper Paperwork & CampDoc	Camper paperwork is due May 1, 2024. Day camp paperwork consists of a variety of forms that must be completed for your camper to attend camp and participate in activities. Paperwork is completed online using the CampDoc platform.
----------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Beginning February 19, 2024, within 14 days of registering for camp, you will receive an email from campdoc.com with a link to your camper's electronic paperwork. If you do not see an email from CampDoc, make sure to check your spam/junk folders. If you need any assistance accessing your CampDoc account, please contact us at customercare@girlscoutsgcnwi.org.

We recommend having the following resources available to you when completing your camper's paperwork:

- Immunization records with dates
- Dietary restrictions
- Allergy Information

Paperwork does not need to be completed in one sitting and can be edited at any time before the May 1, 2024 paperwork submission deadline, when the forms will be locked for staff review.

Camper Paperwork &
CampDoc (cont.)

If your camper is taking any prescription or over-the-counter medication or supplements (i.e. vitamins, melatonin, etc.), these should be listed in the medications portion of their paperwork. **Per state laws and health codes, all medications sent to camp must be in the original labelled container; any non-prescription medications must have the camper's name legibly written on the container in permanent marker.**

The over-the-counter medication section of the paperwork must be completed for all campers and signed by a parent/guardian. Our health center is stocked with a supply of common over-the-counter medications, as authorized by a physician, to treat simple complaints such as bug bites, headaches, mild upset stomachaches, and menstrual cramps, etc. Any medications listed in this section are kept in stock in the health center and you do not need to send them to camp with your camper. You are also able to indicate in this section if you do not want us to give your child any over-the-counter medication.

Contact Information Questions? Contact:

- Summer Camp Phone: (312) 720-8059
- Camp Director Lauren “Sprout” Somogyi, lsomogyi@girlscoutsgcnwi.org or (630) 544-5927
- Customer Support, customercare@girlscoutsgcnwi.org or (855) 456-8347

The summer camp phone number will be answered starting June 1, 2024 through August 2, 2024. If you have questions before or after that time, please contact the camp director or Customer Support.

Buddy Requests Campers can attend camp with a buddy. During registration families will have the opportunity to add a buddy request.

Campers may request one buddy. Buddies must request each other and be in the same program, for the same dates, at the same camp location. Groups, troops, and multiple buddy requests are not guaranteed for summer camp programs.

Girl Scout Membership Girl Scout membership is required to participate in camp. If your camper is not currently registered, a \$25 membership fee can be added when registering for camp. This fee includes basic accident insurance coverage for all registered Girl Scouts as a supplement to existing insurance coverage. For more information about becoming a Girl Scout visit www.girlscoutsgcnwi.org/join

Behavior Issues All campers and their caregivers are asked to review and commit to a behavior and expectations agreement. If a camper is struggling, camp staff will work with the camper and the family to try to help the camper succeed in the camp setting, but our staff are only equipped to support up to a certain extent. If a camper poses a safety risk to themselves, other campers, or staff on site, the caregiver will be called and asked to pick up their camper. There will be no refund for early dismissal.

Photos & Video When filling out your camper paperwork, you have given the Girl Scouts of Greater Chicago and Northwest Indiana permission to take photos and/or videos of your camper(s) while they are at camp.

These photos or videos may be used for future promotional materials.

If you do not authorize Girl Scouts GCNWI to take and use photos and videos of your camper(s), please send an email indicating this at least one week out from your camp program to lsomogyi@girlscoutsgcnwi.org or send a written note on the first day of camp.

Camp Staff Our summer staff are composed of carefully selected and screened adults, who display a commitment to working with children and a love for the outdoors. Background checks and reference checks are completed for all staff members. All staff members complete pre-camp training that includes First Aid, CPR, child development, Girl Scout programming, and much more.

Each camp staff member chooses a “camp name.” These are nicknames that allow staff to create memorable relationships with campers distinguished from that of their teacher, other authority figure, or even yourself. It also keeps us from having multiple staff members with the same name and adds to the magic of Girl Scout camp.

Item Drop-Off Forgotten items may be dropped off between 9:20 a.m. – 2 p.m. at the Greene Wood Gathering Place, at Gate #1.

When you arrive, park, and enter the Gathering Place. Talk to the person at the front desk to drop off your camper’s items. If nobody is at the desk, call the camp phone at (312) 720-8059 and someone will come over from camp to assist you as soon as possible. Make sure all items are labeled with camper’s first and last name along with their program name.

Do not walk around camp if your camper forgot an item. Talk to the director or appropriate camp staff or call the camp phone at (312) 720-8059 and we will send someone to help you.

Lost & Found Help us keep track of your campers' belongings by labeling all personal items with their first and last names. Camp staff will do their best to reunite owners with their belongings daily.

Unclaimed lost and found items will be brought to GSGCNWI Gathering Places at the end of the camp season and held until October 1, 2024 at which time they will be donated. Contact customercare@girlscoutsgcnwi.org to arrange for item pick up from a Gathering Place.

Financial Information

Camp Fee Payments Day camp registration fees cover a wide variety of weekly camp activities including a one-day lunch or dinner cookout and supervision from trained and caring adult staff. Transportation by chartered bus or additional before and after camp care can be added on for an additional fee.

At registration, there are two options to pay for summer camp:

1. Pay camp fees in full at time of registration, including \$50 non-refundable deposit.
2. Pay the \$50 non-refundable deposit at time of registration and pay the remainder on a payment plan.

Payment plan participation requires you to securely save a debit/credit card to your account during registration.

Payment(s) toward a payment plan can be made at any time after registration by accessing your program registration account and selecting "Pay on Account." These payments can be made with a card other than the one on file on your account.

Any remaining balance on a payment plan will be automatically charged to the debit/credit card on file on the account on June 1, 2024.

Financial Assistance Any Girl Scout who is a registered member of Girl Scouts GCNWI is eligible to receive financial assistance for **one** day or overnight camp program per year. Girl Scouts GCNWI makes funds available for participants whose caregivers could otherwise not afford the cost of camp. Assistance is distributed based on available funds. Questions about financial assistance can be sent to customercare@girlscoutsgcnwi.org.

How to Receive Financial Aid:

1. Register for summer camp and only pay the deposit. *Camp registration must be completed prior to applying for financial aid.*
2. Complete the Girl Scout Financial Assistance Application which is available at www.girlscoutsgcnwi.org/financial-assistance#camp
 - This application will go live on February 1 at 6:00 a.m.
3. Approved financial assistance will be deducted from the total owed for the summer camp program.

If payment of deposit or other factors pose a barrier, please contact customercare@girlscoutsgcnwi.org as soon as possible.

Using Cookie Dough &
Nuttty Bucks

Individuals can pay for their camp registration with the rewards they earn through the Girl Scout Cookie Program as well as the Fall Product Program. If you would like to use your earned finances to pay for part, or all, of your summer camp registration, please contact our program registrar at reghelp_events@girlscoutsgcnwi.org. Because camp space is limited, we highly recommend not waiting for Cookie Dough or Nutty Bucks to process before registering for a camp program. When registering, we encourage you to pay the deposit instead of paying in full to more easily apply Cookie Dough or Nutty Bucks funds later.

Cancellations &
Refunds

All camp programs are subject to cancellation or rescheduling by GSGCNWI. If a camp program is cancelled by GSGCNWI, and the camper is unable to attend an alternate session, all fees will be refunded, including any deposit made. If a program is cancelled, notification will be sent by email or phone.

Camp program cancellations received at least 14 days prior to the program start date are eligible for a refund, minus the \$50 non-refundable deposit. Refunds will be issued to the same credit or debit card they were paid with.

Cancellations due to medical reasons less than 14 days prior to the program start date are eligible for refund, minus the \$50 non-refundable deposit. Requests for cancellation due to medical reasons must be made by August 31, 2024 and include a doctor's note. Cancellation requests due to COVID-19 must provide dated proof of positive test.

Refund requests must be submitted in writing. Please email customercare@girlscoutsgcnwi.org and use the Subject Line: Attn: Summer Camp Refund.

Refunds will not be made for the following:

- No shows, late arrival, early departure, or partial program attendance.
 - Cancellation requests less than 14 days prior to the program start date.
 - Campers who violate camp policies and are sent home.

Packing List Details

What to Wear Camp life includes a lot of hiking, wooded areas, dirt, and outdoor time. Campers should wear casual clothing that can get dirty. Campers will frequently use art supplies and play outdoors; we recommend clothes you won't mind getting stained.

Socks and sturdy, close-toed shoes are required to protect feet on trails and gravel roads at camp.

A sweatshirt for changes in weather and extra socks is a great idea!

Clothing is there to protect campers from the environment, such as the sun, bugs, and sticks/uneven walking surfaces. Short shorts, tank tops with spaghetti straps, halters, crop tops, sandals, crocs, and other open-toed shoes should not be worn at camp.

Backpack Campers' belongings will stay with them throughout the day, so send them with a backpack large enough for their things plus any projects they may bring home. We recommend using a regular backpack instead of a drawstring bag.

Please check your camper's backpack daily for notes, handouts, and camp projects.

Water Bottle Water bottles should be reusable—Girl Scouts stay green! Please bring a filled water bottle to camp. Refill options are available at camp during the day.

Filling the water bottle halfway and freezing overnight can help keep water cold all day at camp.

Sack Lunch	Please pack your camper a sack lunch daily unless otherwise noted. Please note that campers may not share food due to health and safety restrictions. Please try to avoid packing food with nuts. Food will not be refrigerated; ice packs are recommended.

Sit-Upon	A Girl Scout tradition! These are portable seats that keep campers dry when sitting on the ground. Bring a small, light-weight option as it will be carried around by the camper throughout the day.
----------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Campers can make their own by searching “Girl Scout Sit-Upon” online for several easy-to-make options.

Cell Phones & Smart Watches	Optional. If a camper has a cell phone at camp, they will be reminded to keep it off and in their backpack—we want campers to enjoy their time with each other and the camp activities! If a camper has a smart watch, we ask that they do not call or text during the camp day.
-----------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

If a phone or smart watch becomes a distraction to programming, it will be collected and locked in the administration building and returned to the camper at the end of the day. You will be contacted by the camp director if there are any additional concerns.
