

Salt dough recipe

ingredients

1 cup flour

1/2 cup salt

1/2 cup water

instructions

In a large mixing bowl, stir together the flour and salt.

Gradually add water while stirring and mixing to form a dough that feels right to you.

Form the dough into a ball and knead for approximately 5 minutes, adding a bit more flour if the dough is too sticky or a bit more water if it's too dry.

How Long To Bake Salt Dough

If you want to bake your salt dough crafts, place them on a baking sheet in a 200-degree oven. Baking time will vary depending on the size and thickness of your crafts, so keep a close eye on them. Or you can let it air dry.
