

Become a District Delegate

District delegates serve as voting members of Girl Scouts of Greater Chicago and Northwest Indiana and participate locally in our council's democratic process. They serve as a link between members and our board of directors and vote on important council business, such as proposals to change our bylaws or electing the board of directors and our national delegates.

Did you know?

Each service unit is allowed to select up to two district delegates to represent them.

Delegates can be adult members or Girl Scouts who are at least 14 years of age at the time of selection.

Delegates can be brought on at any point during the year!

Delegates typically attend between 5-9 meetings per year and most are held virtually.

Those who are interested in become district delegates should contact their service unit to see if there are spots available.

Service units may select delegates through their own process. Once selected, service units should notify their district chair of the selection.

Not sure who your district chair is? Contact democraticprocess@girlscoutsgcnwi.org to be connected!
