Why are District Delegates important?

District Delegates – along with our National Delegates and our Board of Directors – make up the voting body for our council. In other words, District Delegates have a direct impact on decision making for our council!

Learn more by visiting our [Democratic Process page](#)

Here are the details:

- Each Service Unit is allowed to select 2 District Delegates
- Delegates may be Adult Members or Girl Scouts who are at least 14 years of age at the time of selection
- Delegates typically attend 5-9 virtual meetings a year and our Annual Meeting (which typically happens in April)

Interested? Contact your Service Unit Manager to see if your Service Unit is looking for a District Delegate.

SUMs may use the email below to inform us of any selections.

The GCNWI Council Historians invite you to explore Girl Scout history!

To earn this fun patch, Girl Scouts must collect 10 points which can be earned through a variety of activities that explore Girl Scout history. This can be done at the Girl Scout History Center in Vernon Hills or at a location of your choice.

Girl Scouts can also utilize the Historian Activity Kits available to borrow at all Gathering Places to help complete the activities!

Learn about our Girl Scout History with our new patch program!

Find the full patch program details on our websites [Patch Program Page](#).

Patches now available!

Starting this fall,
all registered Girl
Scout adults will be
required to
complete our
**Volunteer Basics
Training.**

**This learning path
includes five
courses:**

- Delivering Inclusive Program
- Mental Wellness 101
- New Leader Onboarding: Troop Safety
- Troop Safety Update
- Girl Scouts Child Abuse and Neglect Prevention

Why was this new learning path created?

This new training is an opportunity for all adults who register with us to learn about the Girl Scout mission, culture, and how we keep Girl Scouts safe.

Having this new training in place for everyone also minimizes the amount of training volunteers will need to take for other roles as they grow with the organization.

**All five courses (combined) will take about 2 hours to complete.
They do not need to be completed all at once.**
