# Thanks Badge II

The Thanks Badge recognizes adult members whose performance is truly outstanding and benefits the entire council or the global Girl Scout Movement.

**Mia Mehta**, Chicago, IL

## MIA MEHTA

### Thanks Badge II

Mia Mehta had the unique opportunity to be associated with various Girl Scout Councils over the years. Her father was in the Air Force, so the family moved every three years, meaning that Mia registered with a different council every three years. She started as a Brownie in San Antonio, Texas. After Texas, she moved to Hawaii (Aloha Council), Ohio (another council), and then to Oklahoma City (Redlands Council) where she was a Senior Girl Scout with a Mariner Ship. When Mia went to college at Oklahoma State University

in Stillwater, she became a Campus Girl Scout with Magic Empire Council. As an adult in Kingsville, Texas (Piasano Council), Mia assisted with a Brownie Troop. When she moved to the Chicago area, she became a volunteer with Sybaquay Council, which later became Northern Illinois Council. After moving to Chicago 10 years ago, Mia registered with Greater Chicago and Northwest Indiana Council. She's stayed in Girl Scouting because of the women she met through different volunteer opportunities. Many of them inspired her to try new things and to improve on what she was already doing. The volunteer who made the greatest impact on Mia was Dr. Mary Frye, the faculty advisor for her Campus Gold troop in Stillwater. She made Mia realize the relevance of the phrase "once a Girl Scout, always a Girl Scout". After her encounter with Dr. Frye, Mia knew that she would stay involved with Girl Scouting for years to come. In her travels, Mia has visited three of the World Centers: Sangam, Pax Lodge, and Our Chalet. Meeting women from around the world who have a shared interest has been a wonderful experience for Mia. One interesting memory for Mia was when she was a Girl Scout in Hawaii. Girl Scouts there didn't sell cookies, but instead they sold macadamia nuts. She recalls that when it was time to deliver the nuts, walking from house to house in the neighborhood was difficult because a case of nuts is heavy in comparison to cookies! Mia has held many different volunteer positions over the years. She started a Brownie troop right after college. She became active with her daughter's troop from Brownies to Seniors, serving as troop leader, Service Unit Manager, and Troop Cookie Mom. Then she was introduced to the Metro Chicago Girl Scout Historians, which is where she is still volunteering today. Due to the frequent moves during her girl years, Mia didn't earn First Class. However, she has received several accolades for her exceptional volunteering, including Outstanding Leader, the Appreciation Pin, and the Thanks Badge. Girl Scouts has been privileged to have such an extraordinary volunteer as Mia. She is well deserving of the Thanks II.

**Kelly Pavlik**, Oak Lawn, IL

**Elise Gould**, Skokie, IL

## KELLY PAVLIK

### Thanks Badge

Kelly Pavlik started out as a girl member in Trailways Council. After two years as a Brownie, her girl years were cut short due to her leader stepping down. Although her mom was the co-leader, she was unable to take on the troop because she was a widow and single mom working full time. However, Kelly does remember that as a Brownie, she got to do Junior badge work with her sister's troop. Her Brownie experience helped Kelly know what she

wanted to do in the future because she cherished the time she spent with her mom and sister in Girl Scouts. Kelly became associated with the South Cook County Council when her daughters became Girl Scouts. She started as a cookie and fall product mom for her younger daughter Isabelle's troop, and then became a co-leader for her older daughter Bernadette's troop. Robin Moss was the leader of the troop and convinced Kelly to become more involved. Kelly continues to consider Robin as one of her Girl Scout mentors, and someone she truly admires. Other Girl Scout volunteers who inspired Kelly were her mom because she showed Kelly that a woman can do anything, and Tammy Mathis who encouraged her to become a volunteer for Isabelle's troop. As with any dedicated volunteer, Kelly continued to take on more and more responsibilities. In the past, she has served on Adult Recognitions, was Media Chair for her service unit, was a Chaperone for GSLI and was a member of the Promise Circle Committee for the 100th Anniversary. Currently, Kelly has a troop, is an Archery Facilitator for the Council, a Council Historian, and has been for the past two years a member of Girl Scout Go-Getters for the Chicago Marathon. The most significant experiences that Kelly has had in Girl Scouting occurred when she took each of her daughters to a Girl Scout convention. In 2011, she took Bernadette to the Girl Scout Leadership Institute in Houston, and in 2014, she accompanied Isabelle to the GSLI in Salt Lake City. Kelly was appreciative of being able to meet volunteers and girls from everywhere in the country. A humorous incident Kelly remembers from the Houston convention was when she and Bernadette were given mini s'more kits, and they pretended to make s'mores over a fake fire! Kelly has been recognized for her outstanding service with several accolades. She has received the Outstanding Leader, Volunteer of Excellence, the Appreciation Pin, and the Honor Pin. She has demonstrated her commitment to the future of Girl Scouts by becoming a member of the Juliette Gordon Low Society. Kelly's exceptional volunteerism has been such a benefit to Girl Scouts, and she definitely deserves to be honored with the Thanks Badge.

## ELISE GOULD

### Thanks Badge

Elise Gould started her Girl Scout “career” in Northwest Cook County Council as a Brownie Girl Scout in 1959. She continued all the way through Senior Girl Scouts and earned both her First Class and Menorah Award in 1968. While attending Northern Illinois University, she was instrumental in starting a Campus Girl Scout group and became a Leader of a Junior troop at a local elementary school. She led the troop for all four years while in college. After her experience as a leader in college, Elise decided to continue volunteering and became a leader of another Junior Troop at Madison School in Skokie from 1975-1978. In 1978, she was elected to the Board of Directors and served three years. She also had positions as a Council Delegate to the National Meetings, and served on the National Committee for Jewish Girl Scouts. And although Elise never moved out of the area, her council continued to transform. What started as Northwest Cook County Council merged to create Illinois Prairie, which merged to create Illinois Crossroads, which in turn merged to create Greater Chicago and Northwest Indiana Council. One of the most influential people in Elise’s life was her Cadette Girl Scout Leader, Mrs. Fay Levin. She encouraged her to try things that helped her make a lifetime career goal. Because of her, Elsie became an elementary teacher, a career that lasted for 45 years. The love for friendship and adventure was the key to Elise’s staying in Girl Scouts. She was able to not only be with her school friends, since troops were school based, but also to expand her friendships with others outside her community. Once during the winter, Elsie took a public bus by herself from Skokie to Arlington Heights to visit a camp friend. In the sixties, this was a big deal because she really had no idea where Arlington Heights even was. Although it was scary, she knew that she could do it because of the principles that she learned in Girl Scouts. Just recently Elise posted this story on Facebook, and the girl she went to visit posted back! That’s Girl Scouts! Camping experiences were a significant part of Elise’s Girl Scout journey. She delighted in meeting girls from all over the council, who came from a variety of backgrounds. At camp, she learned how to understand and how to work with others while building relationships in a very positive way. She also learned that she could be a strong and positive person who can make good decisions. Being Jewish, Elise also “acted” as the chaplain for the girls of her faith by holding Shabbath services while at camp, which was a big deal for her. At one overnight camp at Norwesco, Elsie was a part of a unit called “Badger Bivouac” that was doing primitive camping. They slept in two man pup tents and dug their own latrines. The unit had pitched their tents on top of a hill. Elise recalls how it rained so much throughout the night that the girls found themselves at the bottom of the hill in the morning with their feet almost in the river! Over the years, Elise has held a variety of positions as a Girl Scout volunteer. She’s been a Camp Counselor, a Campus Girl Scout Organizer, a Junior Troop Leader, a School Organizer, a Junior troop Consultant, a Troop Coordinator, a member of the Board of Directors for Illinois Prairie Council, a Sponsor for Israel Girl/Boy Scouts, a National Council Delegate for Illinois Crossroads Council, a member of the National Committee of Jewish Girl Scouts, and a Council Historian for GCNWI. Elise has been a cherished and respected volunteer for decades, making her extremely worthy of the Thanks Badge!

# Years of Service

## **APRIL BRANDENBURG**

50 Years of Service

April is a generational Girl Scout. The love of scouting was passed down from her mom, and April then passed it to her daughter. April was part of the Chicago Chapter on the Northwest side of Chicago. When she was ready to start a troop, she found the girls and then found a church where she could hold meetings. She went to Girl Scouts and said, “I am ready to get started.” Be prepared comes to mind hearing this. Throughout her tenure with girl scouts she has held many positions, such as, Girl Scout Leader, Trainer, and Service Unit Manager, which was called at that time Neighborhood Chair. She was also on the Metro Council. Her volunteer activities included ‘Volunteer Pack of Love’ and attendance at Juliette Rally Dinners. April’s most memorable Girl Scout event occurred after Hurricane Iniki hit Hawaii in 1992. The following spring the Girl Scouts chose a representative from each state to go to Hawaii and plant their state tree. It was such an honor when her daughter was chosen to represent our state, and she got to plant a white oak, the Illinois state tree, in Hawaii. April has received many Girl Scout awards, including the Thanks Badge and Thanks II. Girl Scouts has enhanced her caring nature of others. She believes in the saying “make new friends and keep the old.” As a Girl Scout, April has met and kept in contact with friends both old and new.

## **JUDITH ELSINGER**

50 Years of Service

Judy Elsinger first became a Girl Scout in Cheboygan, Michigan, where she grew up. She began as a girl member in 4th grade. As a Senior Girl Scout, her troop partnered with a hospital, and then, she also became an assistant leader to a Brownie troop. After she was married and moved to Illinois, she started her volunteer experience by leading a Brownie troop, first for her older daughter and then for her younger daughter. At that time Judy was a volunteer for Northwest Cook Council, which later became Illinois Prairie Council. In 1993, another merge took place, so then Judy was part of Illinois Crossroads Council. Judy did a lot at the Troop, Service Unit and Council level. She stayed with the Girl Scout organization because she enjoyed working with girls. She was a member of the committee for the Girl Scout 75th Anniversary parade in downtown Chicago. She was also a National Delegate for the Girl Scout Convention in Portland in 1987. She is still in contact with girls from her days of being a troop leader and with the adults who helped in Girl Scouts. Her involvement in the movement has given her many lifelong friends. Judy has fond memories of camping trips to Happy Hollow and then Devils Lake. One of her Cadette troops had a girl who would always “float” around from tent to tent at night when they were camping. She also recalls a time when the girls pointed out that they were “growing up” and noticing new things. So when the troop was staying at a family cabin in a small Michigan town, her high school girls mentioned that the nearby cemetery didn’t have a fence around it. Judy was surprised that the girls noticed this detail and were comparing this cemetery to a similar one they had seen

on a carriage ride on Mackinac Island. Judy received her Curved Bar when she was a girl member and the Thanks Badge as an adult volunteer. In her community she received an award as Citizen of the Year for Niles because of her Girl Scout activities. Judy has stayed in Girl Scouts because she believes in the program offered to girls, and she treasures the friendships that she has made over the years. We also treasure Judy for her long-standing commitment to Girl Scouts.

## DEBORAH BROWN

50 Years of Service

Deborah Brown first joined Girl Scouts as a Brownie in Cloverleaf Council of Cicero, Illinois in 1960. As a Cadette, Senior, and Mariner Girl Scout, she moved to the DuPage County Council. Deb stayed in Girl Scouts because of the fun, the friendships, the camping, the trips, and all the things that the other girls who were not in Girl Scouting missed out on doing. Her Mom was her inspiration since she also Deb's leader for many years. Deb has had many adventures in her Girl Scout journey, but there is one that really stand out. In 1969, she was selected to represent the Girl Scouts at the launching of Apollo 12 at Cape Kennedy Space Center, Florida. She even had the privilege of being in the VIP box with President Richard Nixon and other dignitaries. Camping was always an important part of Deb's Girl Scout experiences. She recalls camping at during the summer every year at several camps, including Cloverleaf, White Deer, and Chippewa Bay. There were also numerous weekend camping trips. Deb was even a Camp LIT for one summer, and then a Camp Counselor for two summers, which meant she had many opportunities to take girls on backpack, canoe and high adventure trips. All of these activities developed Deb's leadership skills, along with camping, hiking, and first aid skills which have been useful in her everyday life. Deb started her volunteer commitments early on. She joined College Gold (Campus Girl Scouts) to continue her association with the movement. She was a camp staff member for two years for Fox River Girl Scout Council at Chalk Hills

Camp in Wisconsin. She was also the Cadette and Senior Leader for her daughter's troop and held the position of Service Team Leader several years. She has been a lifetime member since 1972. In 2000, she received the Outstanding Leader Award. It's been a privilege to have such a distinguished volunteer as Deborah Brown giving service to Girl Scouts for 50 years!

### **BARBARA GEIST**

50 Years of Service

Barbara grew up in Buffalo, New York. She was a Brownie and Intermediate Girl Scout from 1956 - 1962 and I received her First Class, Curved Bar in 1962. In 1971 she moved to Chicago and became a Girl Scout leader in Service Unit 685 at St. Francis Xavier Catholic Church. She was a troop leader for Juniors and Cadettes, helped with the Puella Maria and Marian Award teachings, camping trips to Butternut Springs and Juniper Knoll for troops, leader weekends and service unit Cadette/Senior weekends.

Along with troop leader she served as Service Unit Coordinator, SU Treasurer, headed SU Fall product sale, was Area Chair, worked on the bylaws committee, and was a SU delegate for many years. This accounted for 40 years.

Barbara is a Lifetime member of Girl Scouts. She received the Honor Pin around 1999 and is part of the Silver and Gold Giving Society (the Juliette Gordon Low Society). Currently she has been helping put together backpacks for the Packs of Love project for the children in Ukraine. Barbara is also a 40 year volunteer at the Lincoln Park Zoo. She assists with cookie sales each year and makes sure many boxes get donated to the zookeepers at the Lincoln Park Zoo.

"I truly value the time I've spent with the children over the years and the leadership skills I've acquired, and of course the many friendships I've made."

### **TOMI GRIESENUR**

50 Years of Service

Tomi Griesenaur has had a long and distinguished career as a Girl Scout volunteer. She started in 1959 as a girl member in a Brownie troop at her church in Chicago. She was able to continue for 5 years, but then her leader had to step down, and there was no one to take the troop. Her next encounter with Girl Scouts came in 1971 when she was recruited to become a volunteer. Even though she had no children at the time, Tomi wanted to restart Girl Scouts at her church, so she did! She had remembered how much she loved

the program, especially day camp, and she was determined to give the next generation of girls the same experience. Even though she had no children at the time, Tomi wanted to restart Girl Scouts at her church, so she did! She had remembered how much she loved the program, especially day camp, and she was determined to give the next generation of girls the same experience. Tomi has had some significant accomplishments as a volunteer, but she considers the highpoint as having mentored 51 girls through their Gold Award journey. It's safe to say that not many volunteers have that achievement. But Tomi is also pleased that she has been able to take her girls on some very memorable trips. Since 1975, her troop has ventured to Mammoth Cave every two years. In 1999, her girls visited the birthplace in Savanna. Then her troop went on an extended 19 day trip that took them to Ireland, Scotland, Paris, and London,

ending at Pax Lodge in 2014. Tomi also took five girls on a 2018 rail trip in Canada that went from Calgary to Vancouver. It's obvious that she is always up for any destination the girls want to explore. Tomi has held numerous positions during her 50 years as a volunteer. Besides being a leader for all these many years, she has also served as Service Unit Manager several times, was the Council Cookie Chair for Girls Scouts of Chicago, served as a trainer and as a National Delegate. Tomi has received several honors for her devotion to Girl Scouts, including the Appreciation Pin, the Thanks Badge, and the Thanks Badge II, along with being named the Leader of the Year and Volunteer of the Year for the Chicago Council. She also has the Master Trainer Pin and is a Lifetime Member. It's VERY evident that Tomi is a Green Blood, but most importantly, a valued volunteer for Girl Scouts. In 2013 she was given an award from Exodus World Service for Outstanding Service in working with refugees.

**WILLIAM  
GRIESENNAUR**

50 Years of Service

William Griesenauer joined Girl Scouts as a volunteer for the Chicago Council on the same day as his wife became an adult member, February 24, 1971. Bill worked alongside Tomi, since he, too, was interested in having a part in helping girls grow into strong young women. He admires all that his wife has done as a volunteer, and he supported her every step of the way. Besides the Chicago Council, Bill has also served in the Sybaquay and the GCNWI councils. Bill primarily volunteered as an advisor for some of the badge work, but he did co-lead a Cadette troop with Tomi, and even took over as leader temporarily. In addition, he helped set up and take down camp at Juniper Knoll. He even installed some donated kitchen and bath facets at Ember and Wilderness. Bill would help out at the camp work weekends, too. His volunteering spirit led to him receiving the Appreciation Pin. Bill accompanied the troop to Mammoth Cave, and still remembers taking a snapshot of one of the girls sound asleep in the van both to and from the cave. He feels that being an adult volunteer has helped him to develop patience when working with young people. Girl Scouts has been fortunate to have such a dedicated volunteer as William Griesenauer.

## BROOKE WISEMAN

55 Years of Service

Brooke Wiseman has been a phenomenal lifetime Girl Scout from the very beginning when she started as a Brownie in Michigan City, Indiana to a Girl National Delegate in Detroit, Michigan, and throughout her adult years as well. When she was at the 1966 National Council Session, she got into an elevator, and there was Debbie Reynolds! Debbie Reynolds was the National Piper, which was what the recruitment campaign at the time was called. There was even a Piper song which Debbie Reynolds sang at the convention. This is one of many wonderful memories Brooke has of Girl Scouts and her first famous person sighting! Brooke knew that when she grew up she wanted to work for Girl Scouts! She had developed a love of camp as a girl and decided that the best way for her to continue camping with Girl Scouts would be to work for Girl Scouts. Brooke started working toward that goal by attaining a degree in Social Work (there were no opportunities to get a degree in non-profit at the time). Her first job with Girl Scouts was in Lansing, Michigan as a Field Executive. From 1982-85, Brooke was the CEO in West Texas Midland Odessa Council that is now called the Girl Scouts of the Permian Basin. From there, she went back to Illinois and worked as CEO for Dupage County Girl Scouts until 1992. She then became CEO of the Girl Scouts of Chicago, the position she held until the merge to create GCNWI. As an adult staff person, Brooke especially enjoyed building the leadership skills of the girls. She worked under Frances Hasselbein, who was an excellent role model of what it is to be a great CEO. She got to work at National Center West, go to Edith Macy in New York, and especially enjoyed working on the behalf of staff with AGSES. Her lifetime love of camp and the ideals and mission of Girl Scouts has kept her active and definitely making the world a better place. Once she left Chicago council, she ran Blessings in a Backpack, which she took from a staff of 5 to a staff of 30, helping so many children. She is retired now and enjoying her free time to be with friends and to travel. In Girl Scouts, Brooke earned the Thanks Badge, Thanks Badge II, and Smart Cookie. She is the proud recipient of the Civil Rights Commission Award as well. Thank you, Brooke, for being a great role model to both Girl Scout staff, volunteers, and especially girls!

## **FLORENCE LORANCE**

60 Years of Service

Florence Lorance started her Girl Scout career in Chicago where she was a girl member for 6 years. She loved making new friends, and it was the friendships she developed through Girl Scouts that kept her as a member. She was fortunate to have knowledgeable leaders who taught her many skills while also having fun. Since Florence was in Girl Scouting during World War II, she has many memories of that time. She felt fortunate that the war didn't prevent her from going camping at Butternut Springs and Juniper Knoll, something she loved to do. With 7 daughters of her own, Florence stepped up to be their leader and continued as a leader for over 35 years. One of her most enjoyable Girl Scouting experiences was a trip that her Cadette/Senior Troop 931 took to Mystic, Connecticut in the late 1970's. For one week, the troop sailed the Atlantic Ocean on the ship "Brilliant". The girls did all the jobs required to sail a ship, even swabbing the deck, peeling potatoes, cleaning the latrines and making the beds so a penny could bounce on them. Even when her youngest daughter went off to college, Florence continued to volunteer. She still had her Cadette/Senior Troop from the neighborhood, but she also led a troop at Misericordia Home for the disabled. She paired those girls with girls from her Cadette/Senior troop to help give them a great Girl Scout experience. All of the girls became friends, and both troops helped each other to have memorable Girl Scout experiences as they sold cookies, took trips, went to plays, and adapted badges for all the girls to earn. Many of the members in Troop 931 went on to study occupational therapy, physical therapy, speech therapy, and special education because of their contact with the troop at Misericordia. As a result of her outstanding volunteer record, Florence was acknowledged with several Girl Scout recognitions, including "Leader of the Year" for the Chicago Council, the Thanks Badge, and Thanks II. However, she has had other volunteer experience outside of Girl Scouts. Florence delivered meals on wheels for numerous years, was a money counter at Christ the King Church, and volunteer at a library. For 60 years, Florence Lorance has been and continues to be a devoted Girl Scout volunteer, and we are fortunate to have her as our Girl Scout sister.

**MARYLEE  
SCHMIDT**

65 Years of Service

Marylee got her Girl Scout start as a Brownie in a troop on the Southside of Chicago. She later went on to volunteer in the DuPage Council. She stayed in Girl Scouts because she enjoyed her friends and especially the outdoor activities the troop participated in at the Cadette and Senior levels. She was inspired as a girl by her Senior Troop Leader, “Wooly”, Phyllis Woodard, and later as an adult, she was inspired by Beebe Mazillo. When her daughters were Cadettes and Seniors, Marylee assisted their troop leader and has found memories of the major trips they went on every other year. She attended the Chicago Council’s first Roundup. Marylee feels that some of the things she learned as she earned badges gave her life skills that she didn’t learn in school. As an adult volunteer, Marylee remained active in Girl Scouts for many years as a Junior Troop Leader, a helper for Cadette and Senior troops, a Service Unit Director, and a Trainer for new leaders, outdoor skills, and canoeing. She received both the Thanks Badge and the Thanks Badge II. Marylee remains involved with her church today.

**ANNETTE  
CAMERON**

75 Years of Service

Annette Cameron, or “Auntie Net”, is a lifetime member who has served in almost every possible position as an adult Girl Scout. From the members of her first troop (who are now in their 60s and 70s!), through 20 years of working at Girl Scout camps, to leading five troops at once and also being a Service Unit Manager for many years, Annette has been a fierce yet kindly guide and role model for hundreds, if not thousands, of girls and adult volunteers. Over the years, Annette also found time to serve as a board member, council delegate, and outdoor trainer. Her favorite memories are of experiences at camp and stories about cleaning latrines. She is in the Girl Scout Hall of Fame and has received just about every possible recognition for her dedication and service, and still stays in touch with her neighborhood leaders and girls.

## LOUISE CRUMPACKER

75 Years of Service

Louise's Girl Scout years began in Ardsley, NY as a 4th grader and she remained a Girl Scout for 8 years. She loved doing all the badges, camping outdoors, nature & being with all the friends she made. "I was a very competitive girl & wanted to earn everything I could. I remember making items for the soldiers at one point. It was the principals' wife and a secretary who was a leader who sparked the twinkle in my eyes to keep going. Being in nature as a GS was where I found my passion for helping others & doing anything outdoors. I loved selling cookies;

I still have the dolly that I took to sell them hanging in my garage." Louise reflected that it was a very different time from being a child in Girl Scouts to a college student at Antioch College in Yellow Springs, Ohio where she kept involved. Her love for helping people & outdoor nature grew and she started volunteer teaching outdoor cooking, camping, canoeing & talking about the animals we see every day in nature. Louise took jobs in Occupational Therapy at an institution & worked at a VD (venereal disease) clinic at Mt. Sinai Hospital. She was a lifeguard, taught safety & canoeing at Red Mill. Louise also talked about the history & was "Mother Nature". "At Meadow Brook in Valparaiso where I was known as "Mother Nature" & where I got the name; I volunteered over 1000s of hours talking to everyone about nature during day camp, overnights, troop camping etc... I even visited Butternut Springs as "Mother Nature" a few times." Louise took a Sr. group of 11 girls to Europe in 1987 & each girl had to research a town or location they were going to. It was an experience of a lifetime. They went to Italy, Switzerland, Paris, the Chalet, Gordon Powell memorial & several other places. The girls saved cans, newspapers, pulled weeds, shoveled snow, babysat & of course sold cookies. The trip was about \$1500 and they were there a month. Louise and her husband used to read poetry to the schools in Chesterton, IN. from the 1970 – 1990s. When they were in Florida they judged several science fairs & speech meets from the 1800s – 1990s as they had trouble finding help. Louise is a snowbird & when in Florida she was a volunteer naturalist at Manatee Park in Ft. Myers until the pandemic, teaching/talking about the Manatees, birds, butterflies & trees when necessary or as needed. Louise was born November 22, 1927 and has 6 children.
